RUGBY

Hi!

Welcome to our rugby team wear catalogue.

We are a new sportswear company borne of our own love of sport, especially rugby. We play sport and we wear our own kit so we like to think this means we know our team wear inside out.

We also know how ordering and managing kit can seem like a real task for some clubs. As such, this is what we want to do for you:

- 1 Get you high quality, durable kit at competitive and fair prices.
- 2 Get your kit to you in good time.
- 3 Give you great personal service, before, during and after your order.
- 4 Provide you with an online kit management service to take the hassle out of individual additional kit orders.

Let us help you out, call us now and we'll come and see you at a time that suits you.
